COMMUNICATION

Assistant Commissioner for Patents
Washington, D.C.   20231

Sir:

Applicant in the above-captioned application has received a "Notice to File Missing Parts of Application" (form PTO 1533) dated February 19, 1998. A copy of the Notice is enclosed.

In response to the Notice, Applicant submits herewith (1) an Inventor's Declaration; (2) an Assignment of the application with an assignment recordation sheet; and (3) a Verified Statement Claiming Small Entity Status.

In payment of the $65 incomplete application surcharge (Small Entity) and $40 assignment recordation fee, enclosed is a check in the amount of $105.

Based on applicant's status as a Small Entity, it is believed that Applicant's check in the amount of $940, submitted with the application, was sufficient payment for the basic filing fee and additional claim fees, and that no other fees are due. However, if any other fees are required for the filing of this application, please deduct the amount from our Deposit Account (No. 50-0297). A duplicate copy of this letter is enclosed.

In view of the foregoing, it is believed that the above-identified application is now complete, and the early examination thereof on its merits is solicited.

Respectfully submitted,

Vladimir Sherman
